Testimonials

"Bach & Sons is a treat for any Bach lover and an eye-opening experience for anyone just discovering him. Bravo! I had a tremendous experience at your World Premiere."

Noel Lumpkin, Anchorage, Alaska

"Well played by Dr. Jordan. Visuals interesting and helpful. Everyone should see this program when it comes to a town near you."

Paul Richter, organist, Portland, Oregon

"One might think of Bach's music as being just fugues and toccatas but it also consists of beautiful listenable melodies and harmonies that Jeannine plays with feeling and pleasing tonal selections. The narrations and music explore the Bach family story and we hear the music an discover the inventor and perfecter of music of the western world through Bach and Sons."

Bill Gregory, organist,

Gleneden Beach, Oregon

B breathtaking, brilliant, brazen

A adamant, assertive, audacious

C committed, complex, conceptual

H heroic, holy, hypnotic

Is visiting Germany on your to-do list? Are you a lover of great music? Do you enjoy a good story? Have you ever wanted to see an organist's hands and feet fly over the keyboards? If you answered "yes" to any or all of these questions, you will want to experience the music and multimedia event of *Bach & Sons*.

Dr. Jeannine Jordan, organist and David Jordan, visual artist, perform *Bach & Sons*. The event is more than an organ concert, as you travel with Bach and his sons through the trials and tribulations of the challenging life they shared.

The story, narrated by the women who were important in the lives of the great composers, is brought to life by David Jordan's stunning visuals of Bach's Germany.

Live camera projection of Dr. Jordan's playing of Bach's well-loved and powerful organ music gives each person a front row seat.

This thrilling live organ and media event brings the persons of Bach and his family alive for the 21st century audience.

Live cameras give everyone a front row seat.
